Event Description

This electronic Request for Proposals (eRFP) is being issued to establish a contract with a qualified supplier who will provide Roadside Assistance and Maintenance services (RAM) to the Georgia Department of Transportation (hereinafter, the State Entity) as further described in this eRFP. The Georgia Department of Transportation is conducting this RFP under its authority to procure services ancillary to the construction and maintenance of a public road, as defined in O.C.G.A 32-1-3, as provided for in O.C.G.A 32-2-64 and 32-2-69.

The RAM Program will play an integral part in achieving the Department's operations and maintenance goals by safely and efficiently patrolling and providing emergency services to motorists travelling the interstates outside of existing Highway Emergency Response Operators (H.E.R.O.s) covered territory operating within Metro Atlanta. The RAM Program will meet these objectives by picking up roadway debris; looking for and reporting maintenance and safety issues; assisting stranded motorists; tagging abandoned vehicles; responding to and providing traffic control as necessary and coordinating and communicating with GDOT district forces and GDOT 511 personnel regarding incident response and real time operations of non-Atlanta interstates. The services provided shall be in accordance with the provisions of the Georgia Procurement Manual, GDOT Specifications, the Contract, Special Terms and Conditions, and all attached documents with this Request for Proposal. The Department intends to make a single statewide award - 70% Qualifications/ 30% Price for overall Best Value Procurement.

Have you submitted a completed Tax Compliance form?

To be eligible for contract award, the supplier must not owe taxes to the State of Georgia. Also, in accordance with Official Code of Georgia Annotated §50-5-82, the State Entity is prohibited from awarding any contract valued at more than \$100,000.00 to a nongovernmental vendor if that vendor or an affiliate of the vendor is a "dealer" failing or refusing to collect sales or use taxes on its sales delivered to Georgia. Each Supplier must submit a completed Tax Compliance Form (SPD-SP045), which has been provided as a downloadable document by accessing the link below. In the event the Supplier is being considered for contract award (and the contract is valued at more than \$100,000.00), the information provided in the Tax Compliance Form will be submitted by the State Entity to the Georgia Department of Revenue ("DOR") for a determination as to whether the Supplier is a "prohibited source" or has other tax deficiencies. The State Entity reserves the right to submit the Supplier's completed form to DOR for review even if the contract is valued at less than \$100,000.00. Download the Tax Compliance form using the link below and upload the completed form as part of your response:

Any Offeror identified as a prohibited source will be ineligible for award. Accordingly, the Offeror is

In no event will DOAS be liable to you for any direct, special, indirect, consequential, or incidental damages or any other loss or damages of any kind even if DOAS has been advised of the possibility thereof.

You may not decompile, disassemble, reverse engineer, or otherwise attempt to discover the source code to the software without the express written permission of the creator/licensor.

However, if any of the Indemnitees or third parties are partially responsible for the events giving rise to the claim, your indemnification obligation hereunder shall apply only to the extent that you contributed to the events. Question	Response
----------	----------

Is your company a scrutinized company?

Any Supplier that currently and/or previously, within the last three years, has had business activities or other operations outside of the United States, must certify that it is not a "scrutinized company". A scrutinized company is a company conducting business operations in Sudan that is involved in power production activities, mineral extraction activities, oil-related activities, or the production of military equipment, but excludes a company which can demonstrate any of the following exceptions noted in O.C.G.A. Section 50-5-84. False certification hereunder may result in civil penalties, contract termination, ineligibility to bid on state contractors for three or more years, and/or any other available remedy. If the Supplier is a scrutinized company, the Supplier shall not be eligible to bid on or submit a proposal for a contract with the State Entity unless DOAS makes a determination in accordance with O.C.G.A. Section 50-5-84 that it is in the best interests of the State to permit the scrutinized company to submit a bid or proposal. Any scrutinized company desiring DOAS to make such a determination should contact both DOAS and the Issuing Officer immediately.

Please make a selection from the three options:

- A. I certify my company is NOT a "scrutinized company"
- B. I certify my company is a "scrutinized company"
- C. I certify I have requested and received written permission from DOAS to submit a response to this Event in accordance with O.C.G.A. Section 50-5-84.

A

Have you submitted a completed Tax Compliance form?

To be eligible for contract award, the supplier must not owe taxes to the State of Georgia. Also, in accordance with Official Code of Georgia Annotated §50-5-82, the State Entity is prohibited from awarding any contract valued at more than \$100,000.00 to a nongovernmental vendor if that vendor or an affiliate of the vendor is a "dealer" failing or refusing to collect sales or use taxes on its sales delivered to Georgia. Each Supplier must submit a completed Tax Compliance Form (SPD-SP045), which has been provided as a downloadable document by accessing the link below. In the event the Supplier is being considered for contract award (and the contract is valued at more than \$100,000.00), the information provided in the Tax Compliance Form will be submitted by the State Entity to the Georgia Department of Revenue ("DOR") for a determination as to whether the Supplier is a "prohibited source" or has other tax deficiencies. The State
